## *Your Secrets*

*These are secrets you do not want others to know about you.*

- ❖ You instigated the hit ordered on your husband, Jimmy the Snake, by dropping secrets that would get him killed. Mainly because you just don't like him. The insurance policy you have on him is just an added bonus... if you can collect it.
- ❖ You think Inspector Neville 'The Nose' Nutella is the bees knees!

## *Secrets & Information You Know*

*This is information that you may use in any way you wish. You can use this information to blackmail or bribe others, spread it as gossip, turn it over to the authorities. Be creative!*

- ❖ You know that Al Capone is a hit man and not the bouncer he claims.
- ❖ You have heard that Carrie Crooner-Ravioli is having a flirtation with someone high up in the "Family Business". Your source was not the most reliable, so this might just be a rumor, but oh, how juicy the tale if it were true!

## *Things You Need to Do*

*Make sure you accomplish these things sometime during the evening. Just be sure to watch your back because you may make an enemy in the process!*

- ❖ You have in your possession, a note from your husband that you just found in your purse. It was not there when you left for this party. Jimmy says he is here tonight in disguise. How are you going to handle this? Will you give the note to Al? Find your husband first, and then tell Al? Take care of Jimmy and blame it on Al? Decisions, decisions!
- ❖ Try to locate Jimmy. The little weasel will most likely be hanging around Carrie Crooner-Ravioli.
- ❖ Tell the Inspector how much you respect a man that puts his life on the line to keep innocent women like you safe. Batting your lashes will let him know you are interested.
- ❖ Ask the Baroness if her tiara is real or fake like her title.
- ❖ If asked about Big Jim's murder, reply that you hardly knew the man.
- ❖ Play up how worried you are about your husband's disappearance.
